1

Quick to learn, less is more!

Origame games are designed to have as few rules and components as possible. We believe in providing the best game experience with minimal rules and packaging!

Fun Facts about ORIGAME

2

Themes and (Asian) culture are super important to us. Our games are meticulously researched and we often partner with field experts. Mechanics are then developed in step with the theme so our games are intuitive, informative but above all, fun!

3

We hold the largest board game events in Singapore!

Origame organizes the **Play Play Fair** and the **Asian Board Games Festival**, which brings together for a full weekend of fun and games! Their games are also sold on the Origame online shop. For more info on our events, check out our socials.
